THE KINGDOM MOSAIC IS EMERGING

By David Apelt—Southern Cross
Victoria

One of the revelations coming home strongly to me over the last couple of years is that God our Heavenly Father is well advanced toward bringing in His Kingdom.

Networking broadly with people in my community, my nation and the nations of the world, I am seeing the evidence everywhere.

Spiritual seeds planted long ago and nurtured and watered for decades, sometimes centuries, are beginning to bear fruit.

For Example:-

Massive breakouts of the gospel are occurring in China, India, Africa and South America. The Christian gospel is present in every nation on earth. Islamic nations are beginning to be strongly impacted by the gospel. The scriptures have been translated into most major language groups of the world.

The gospel is going out all over the earth in so many different forms and means, both inside and outside of the traditional mainstream denominations.

The hurt ones are being restored. There is a major emphasis in our time on healing and restoration of self, marriages, families, communities and nations.

Unity is increasing between individuals, churches, denominations, streams and movements of Christianity.

Cults and errors are being

progressively exposed and a more pure Christian gospel is emerging based more soundly on the Word of God.

Nationals are taking over from western missionary activities and are taking the gospel to their own nations in great numbers.

People, who have escaped to the West decades ago and encountered the gospel there, are returning to evangelize their own nations.

Technology has advanced to the point where anything is possible and sophisticated technologies are now in the hands of even the poorest of the poor. Communications have evolved to the point where the gospel is being beamed to every corner of the earth via computer, internet, telephone, TV, radio and stand alone devices.

Information proliferation has exploded such that every piece of information is potentially available to every person on earth.

Search engines and directories are becoming extremely effective in cataloguing and finding the information that people seek.

The Word of God has been available in print form now for over 400 years, in hundreds of translations, thousands of languages and is now computerised and potentially able to be delivered

into the hands of every man woman and child on the face of the earth.

Global trade is expanding such that anyone can potentially do business and trade with anyone else. All the peoples of the earth are able to interact relate and do business, thereby becoming increasingly more dependent on each other.

What an amazing time of potential and opportunity.

You and I were born into this, for such a time as this.... and so was Southern Cross Association of Churches.

The Lord has placed us all here for a purpose: to bring to fulfilment the beautiful and amazing vision of the emergence of the Kingdom of God, the gathering of the Great Harvest and the preparation of the Bride of Christ.

The success of His plan is entirely dependent on each one of us being prepared, equipped, empowered, enabled, activated and released into

the campaign.

The trick is that only God knows the specific master plan. Only He has the blueprint, the battle strategy, the big picture.

It is therefore imperative that we increase in our ability to hear from Him clearly, interpret Him accurately, respond effectively and operate in absolute and timely obedience to His direction.

This needs to be accompanied by an attitude of love, respect, humility, unity and honour towards our fellow Christians, together with a deep abiding **love, compassion and concern for those who don't yet know Him.**

Then we will see and be a part of the most amazing **outpouring of God's love, hope, salvation,** redemption, healing and restoration that has ever been seen.

Let's therefore take heart and be greatly encouraged, enthused, emboldened and impassioned in His cause, and continue to be effective in the places and situations where He has placed us.

SOUTHERN CROSS WA

On Friday 8 April, sixteen WA Southern Cross members met for a time of worship, teaching, discussion, encouragement, prayer and fellowship over delicious food at a lovely home in Helena Valley. John shared one of the DVDs from the Bethel School of Supernatural Ministry on "The process of developing people" (taught by Kris Valloton) as an example of the material we will be using in the Churchlands School of Supernatural Ministry (starting in July). This led into some good discussion on topical issues related to ministry. There was a real sense of the Spirit among us and our hearts were knit together in a special way .If you missed it, plan to come to our end of year BBQ on Sunday 27 November from 4.00pm—9.00pm. More details to come...

Yes, it is finally here, the Churchlands School of Supernatural Ministry, starting on the 26 July, every Tuesday night. There is going to be a teaching via DVD from Bill Johnson and other Bethel leaders and time to talk and process the teaching. There are activations every night so it is not just teaching and theory but the opportunity to put into practice in the larger class, in groups and in the community as well. There are organised activations in the market place where you can practice words of knowledge, prophesy, treasure hunts, etc.

Come and be a part of the school. Learn practice and be a part of transforming our community and our city.

Applications close Sunday 19 June 2011.

Further details and application forms can be obtained from the Churchlands website

www.churchlands.org.au

or by phoning Steve Glanz or Gail Stimpson at the Churchlands office on 6241 2700

Stephen Glanz

Dean of Studies

Sozo ministry has begun at Churchlands. This is a ministry that has been birthed out of Bethel Church in Redding California. It is not a counselling session but a God-led framework helping to free individuals from the effects of wounding and sin, and delivering people from obstacles and hindrances in their relationship with God. It is done in overt partnership with God through finding past and present believed lies and points of access and removing or changing them; establishing healing, blessing and obedience in their place; and restoring individuals to relationship with Father God and a more fruitful and fulfilling walk. The ministry is open to everyone. Should you have any questions contact the coordinators Terry & Gail Amos at Churchlands or check out the page on the Churchlands website. There will be a training seminar in October for a Friday night and all day Saturday for those who may be interested in establishing their own Sozo ministry.

Southern Cross Fees

By now you would have received your invoice for your fees due for the coming year. Thank you to those of you who have already paid and we look forward to your continued support.

FAMILY NEWS

Douglas and Oneng Cheah from Church on the Green have a baby girl! Samantha Cheah was born on 28 March at 3am, weighing in at 3.9 kilos. Congratulations!

SOUTHERN CROSS QUEENSLAND

During 2010, John McElroy encouraged many of us to read “**The Seven Mountain Prophecy**”. This book considers ways that we can influence our culture. In particular, it focuses on the seven mountains of Media, Government, Education, Economy, Religion, Celebration/ Arts & Entertainment and Family. Here at Rangeville Community Church we had the official opening of our new ministry complex on April 9th. On that day we had representatives from all **seven of these “mountains”** including the mayor, state and federal members of parliament, senior leaders of primary, secondary and university

education providers and many others. It was a wonderful time of celebration, community engagement and sharing the **story of God’s love and blessings** with the wider community.

The Queensland Southern Cross Churches are looking forward to hosting the annual Advance from September 9–12. The accommodation will be right on the edge of the Great Dividing Range and conference and accommodation will be provided there at the Toowoomba Motel and Events Centre. The Saturday sessions will be held at Rangeville, with other sessions held at the Motel and Events Centre. Jim Wallace from Australian Christian Lobby will be speaking on the Saturday sessions and there will

be lots of other excellent times of sharing and having time together. It will be a great weekend and

Toowoomba will be at its most beautiful then. Electronic and hardcopy details of the Registration Form will be coming to you very shortly. If you are wanting to come with children so you can continue to stay on longer or travel elsewhere, then family rooms are available.

We look forward to welcoming you to Toowoomba in September.

Blessings, Andrew Hoey

SOUTHERN CROSS NEW SOUTH WALES

Greetings and blessings from the East

Recently, some NSW members gathered at **Paul and Mia Kim’s home for our network meeting**. We had a great roll up and as usual, these are always uplifting and encouraging times for those who come.

There was cause for much joy and celebration when Paul baptized Rocco and Sue in an outdoor unheated pool! The prayer, praise and worship was very uplifting also and much prayer was offered for Rocco and Sue and the challenges they are facing as they head to the West! They have accepted a call to take up Senior Pastor roles at a church in Armadale in WA. They will leave us late July. We will sorely miss their vibrant input to our network. They are a great couple and we wish them all the best.

Much love and blessings
Ray Baker
